Categories: Orange Category, Red Category

I object to these plans, Both for holiday and residential. The area has already been overly developed. There isn't the infrastructure, pavements to sustain any more lettings or residential building here.

On a personal level we paid a lot of money to move here because of the air pollution in the city. I am allergic to building dust & pollutes so I don't want any more buildings and traffic in this area.

Not least the wildlife in the area.

Best wishes

Gillian Gregory
