

Freedom of Information Request – Cycle Lanes

Received: 1/4/22

Request and Response:

Q1. Please provide the total number of cycling lanes that exist in your council over the past three-year period:

* 2019

* 2020

* 2021

HCC see below

Q2. Please state the total number of cycle lanes currently in planning or under development in your council:

* Currently in development

* Currently being planned

HCC see below

The Borough is working with Chandlers Ford Parish Council on the delivery of a new cycle path across Parish Council land, this is in the early stages of design.

Q3. If possible, please provide the total number of miles of cycling lanes you have within your council in total at present:

HCC see below

Q4. How much money has your council invested in cycling initiatives over the past three years? (Please consider all aspects of cycling, including cycle lanes, storage and bike membership schemes)

The following figures reflect EBC expenditure on cycle initiatives, including a regular Dr Bike service, new and improved cycle parking facilities, cycle campaigns, online mapping, electric pool bikes and cycle training at local schools - although in 2020 and 2021 much of this activity has been impacted by COVID restrictions and so expenditure has been lower than normal.

We have provided the information we do hold however, for questions 1,2 and 3, Hampshire County Council is the local authority for this request and the link to their online Freedom of Information Request form is:
