

Freedom of Information Request – Service Level Agreements

Received: 7/3/22

Request:

Please provide me with the following information under the Freedom of Information Act:

Does the Council have any Service Level Agreements in place for 2022/2023 financial year? If yes, can you provide me with a breakdown of how much money each SLA is worth and when it is due to end? Do you have any new Service Level Agreements due for renewal or award in 2022/2023 financial year and if so, for what value? Does your council have any digital/IT contracts up for renewal/tender in 2022/2023 financial year and when are you planning to go to tender? Does your council have any security contracts up for renewal/tender in 2022/2023 financial year and when are you planning to go to tender?

Response:

The Council considers the information to be exempt under s.21 of the Act. This is because the information is already in the public domain within the contracts register and is reasonably accessible to you by other means.
