

Freedom of Information Request – Vehicle Parking

Date received – 27/03/23

Request & Response:

1. Is your Council responsible for setting the policy for parking of vehicles as a whole?

Yes, for Eastleigh Borough Council (EBC) owned/managed car parks

2. How many vehicle parking sites in total do you manage?

19

3. How many spaces in these sites (cars, vans, coaches etc) do you manage in total?

2551

4. What is the average space size (width / length) and any possible height restrictions?

Car park spaces are standard size approx. 2.4m x 4.8m. Some car parks have height restrictions which are locally signed

5. Of these (Q3) how many are dedicated to Campervans / Motorhomes / Vans?

None

6. Of these (Q5) how many can be used to park overnight or are there bans in place?

N/A

7. What is the Councils policy about parking Campervans / Motorhomes / SUV's / Vans in standard bays (e.g. the wheels must be in bay, the whole vehicle must be in a bay, vehicles must be parked in reverse position, overhang at back / front is allowed etc)?

No specific policy in place, but vehicles must be parked wholly within a parking space/bay

8. Dependent on answer (Q7), can a vehicle owner purchase two tickets to cover potential overhang

Yes

9. What is the fine amount for infringement of (Q7/8/10)?

A Penalty Charge Notice could apply, code 86 - Lower Rate (£50)

10. Can Campervans / Motorhomes Park in coach parking spaces?

N/A

11. Is there any adjustment in charges based on weight or vehicle emissions?

Not at the time of writing

12. Does your Council have a written policy with link that I can refer to to find out further details?

No specific policy available
