

## Freedom of Information Request – Temporary Accommodation

Date received- 04/04/23

### Request:

How many tenants have been placed in temporary accommodation since 2019? Please break down per year until the most recent date.

How much money, per year since 2019, has the council spent on the provision of temporary accommodation? Please break down per year until the most recent date.

How many years has the current longest housed tenant spent in temporary accommodation?

### Response:

For the purpose of the return we have included data for temporary accommodation as determined by having a homelessness duty accepted under Section 188 and Section 193. 'Tenants' is counted as number of households.
