Re: The Eastleigh Borough Council (Footpath Cycleway No. 23 Eastleigh and unnumbered presumed dedicated footpath cycleway) Diversion Order 2016

I, Ed Vokes, Head of Transportation and Engineering of Eastleigh Borough Council ("the Council"), confirm that the highway required by Article 3 of The Eastleigh Borough Council (Footpath Cycleway No. 23 Eastleigh and unnumbered presumed dedicated footpath cycleway) Diversion Order 2016 ("the Order"), namely a footpath cycleway south of Leigh Road Eastleigh from point A (SU44148 19447) on the plan attached to the Order ("the Plan") south towards point C (SU44140 19424) for a distance of 24 metres then south towards point D (SU44128 19390) for a distance of 37 metres then south east towards point F (SU44173 19307) for a distance of 96 metres, is to the reasonable satisfaction of the Council.

I understand that the Head of Legal and Democratic Services is yet to confirm the Order on behalf of the Council and, in light of the above, I have no objection to him confirming the Order to bring it into legal force at any point hereafter.

Signed:  _____
