DATED FEBRUARY 2019.

Licensed vehicles - Eastleigh Borough Council

Please be aware that all advisories on a mechanical inspection or MOT will be checked and the proprietor of the vehicle will be advised when/if these will need to be attended to.

Where an advisory warns that a tyre is close to the legal limit, we will require that tyre to be replaced within 7 days. The invoice can be emailed to licensing@eastleigh.gov.uk showing the work has been carried out.

Eastleigh Borough Council require all licensed hackney carriage and private hire vehicles to be maintained to a high standard in the interest of public safety. If a request is not completed in the required time limit, enforcement action will be considered against the vehicle licence.

As you are aware we are carrying out further random mechanical inspections of licensed vehicles. This will continue throughout the year.
