Dear Ms Masters

### Examination of the Eastleigh Local Plan

I am now in a position to confirm the dates by which we will send the other outstanding updates. (This supplements my earlier letter of 29 March 2019 [ED4] which confirms the dates for the first set of outstanding updates).

Update	Update of (Core Document Reference):	Date
Employment trajectory – updated to a 2018 base date	ECON001	21 June
Sustainability Appraisal Addendum	SUB003	21 June
Habitat Regulations Assessment addendum	SUB004 and SUB005	21 June
Strategic Growth Option Background Paper Transport Update	SGO001	21 June
Eastleigh Borough Council Cabinet report (20 <sup>th</sup> June) on potential Council actions to assist in delivery of SGO	SGO013	21 June
Human air quality assessment – position at 2020	ENV008	21 June

The other outstanding matter from your last letter (ED5) is regarding the issue of New Forest recreational disturbance and we will respond to this by separate published letter over the next few days.

In addition, the outstanding site notices will be displayed with a deadline for comment of 21 June. We will prioritise sending you any representations, and following that the Council's response, as soon as possible after that date.

Yours sincerely

Graham Tuck
