

Eastleigh Borough Council

Proposed No Waiting At Any Time Restrictions

Outside Candle Lodge Children's Home 49 Bournemouth Road

Statement of Reasons

Following the collision between motor vehicle and bicycle caused by obstructed visibility splays at No 49, this has been identified as a safety issue and the implementation of waiting restrictions is proposed.

Large goods vehicles have also been observed parking in such a manner to obstruct the visibility of drivers emerging from the access of Number 49 (Candle Lodge Children's Home) the stretch of road in question is subject to a 30mph limit the current parking arrangement of vehicles here has lead to safety concerns for users of the children's home access.

Therefore it is proposed that no waiting at any time restrictions be implemented across the frontage of property No49, to prevent danger to the public.
