

**FOI Number 00120880 Environmental performance and planning (Nov 2019)**

Request & response

1. Excluding EPC ratings, does your local authority measure carbon emissions due to energy use in relation to your built assets (e.g. council owned housing property, council owned facilities, council owned offices and other council owned buildings)?

**Yes, we produce an annual [Greenhouse Gas](#) report for the organisation as a whole.**

2. What was the annual carbon footprint (in CO<sub>2</sub>) of your council's HQ building in 2018?

**For the Council HQ (Eastleigh House) year 18/19 the carbon footprint was 161.95 tCO<sub>2</sub>e**

3. Does your local authority have a carbon emissions reduction plan in place, for energy use related to your built assets?

**Yes for the organisation as a whole which can be found [here](#)**

4. With the UK Government having signed legislation to commit the UK to a legally binding target of net zero carbon emissions by 2050, is your local authority already planning towards 'net zero carbon' operation by 2050?

5. **No. We have declared a climate emergency and committed to being net zero by 2025.**
