Brexit – EU Settlement Scheme (EUSS)

As most of you will be aware the Brexit transition period ends this year on 31 December 2020. This means that from 1 January 2021, the UK will have a new points-based immigration system that will impact how we are able to grant licenses.

If you are an EU citizen you must apply to the EU Settlement Scheme (EUSS), **before 30 June 2021**, if you want to continue living and working in the UK. See below:

<https://www.gov.uk/settled-status-eu-citizens-families/applying-for-settled-status>

Eastleigh Borough Council value all our licenced drivers and we want our EU drivers to remain working.

Please act now. It's free to apply and the scheme protects the rights of EU citizens, including access to healthcare, benefits and pensions.

If you have any concerns or questions about how Brexit will impact your licence with Eastleigh Borough Council, please email the licensing team at licensing@eastleigh.gov.uk

As the transition date is fast approaching, please don't delay and act NOW.

Yours sincerely,

Andy Jeffery
