

Freedom of Information Request - Consultants fees

Date received 14/1/21

Request:

- Details of work complete by Equine Access Limited (defined as 'consultants fees' in the Councils transparency report 2020)
 - Procurement process followed in selecting Equine Access Limited
 - All correspondence between elected members of Eastleigh Borough Council (EBC) and senior officers of EBC and Equine Access Limited
- Please provide all information digitally. There is no requirement for physical copies and providing this information via email is acceptable.

Response

Equine Access Ltd is a company whose director was employed as an independent assessor/adjudicator to hear an appeal in respect of Russells Equestrian star rating, for the activities involving animals licence to run a riding school.

This spend was for £808 and therefore below the value that requires a procurement process (as per our CSO's which are on the website within our constitution).

There is no other correspondence held.
