

Freedom of Information Request – Homes built in Eastleigh

Date received 18/2/21

Request and Response:

Please provide information regards how many homes have been built in Eastleigh in the last 3 years.

The net dwelling completions (i.e total built homes minus any demolitions) are as follows for the last 3 years:

2019-20: 1223 dwellings

2018-19: 1162 dwellings

2017-18: 893 dwellings

A total of 3,278 dwellings from April 2017- April 2020

Specific details should be provided on:

All the sites In the borough of Eastleigh (I.e the buildings that have been converted to flats and all the building site that have gone on)

For further information, we publish a housing land supply report quarterly. Please see link below.

The Council considers further information to be exempt under section 21 of the Act. This is because the information is already in the public domain and is reasonably accessible to you by other means such as our website. This information can be found at : <https://www.eastleigh.gov.uk/planning-and-building/planning-policy-and-implementation/local-plan/local-plan-monitoring> ;
