

Freedom of Information Request – Community Assets

Date received 12/2/21

Request:

I am currently conducting a scoping exercise for a PhD research project. Therefore, under the Freedom of Information Act, please provide me with a copy of the following:

* A list of facilities and spaces including: sport centres, leisure centres, swimming baths, gymnasiums, bowls greens, cricket greens, outdoor courts, and outdoor activity spaces, which have been transferred through a process of Community Asset Transfer and were previously owned by your local authority, during the last 25 years.

* If possible, please provide me with information concerning when the asset was transferred, the specific nature of the asset, the name and nature of the organisation who the asset was transferred to, the lease that the asset was transferred through, the length of the lease, if the recipients are still in ownership of the asset, and the contacts details of the recipients of the asset.

* Lastly, please can you confirm if transfers have occurred in the past 12 months

Response:

Eastleigh Borough Council has not transferred any such leisure facilities under the process of a Community Asset Transfer.
