and hold the site licence Ref: \_\_\_\_\_

I declare that the site rules which I am depositing with Eastleigh Borough Council have been suitably consulted on with all site residents and qualifying resident associations. I have allowed for a full consultation period of no less than 28 days and have taken any representations made into consideration. I have provided my consultation response document to all residents and qualifying resident associations within 21 days of the consultation period ending. I will, within 7 days of the date of this declaration, be notifying all residents and qualifying resident associations that the deposit of the site rules has been made.
